H2O HELP TO OTHERS™

WATER SERVICE ASSISTANCE

For more than 30 years, Pennsylvania American Water has been assisting customers who qualify through its H2O Help to Others Program™. The program offers three main services:

- **Grants of up to \$500** per household per year.
- **A 40% to 80% discount on the monthly service fee and a 25% to 80% discount on the monthly volumetric charges**, which saves the average residential customer using 3,212 gallons/month \$19.93 to \$55.39 every month.* See chart on reverse side.
- **Water-saving devices and education.** The water-saving kit includes a low-flow shower head, faucet aerators, toilet tank diverter and non-toxic leak-detecting dye tablets. Also included is an educational booklet that explains how to install the devices and provides helpful tips on how to save water inside and outside the home, so customers can take an active part in reducing their water bill through wise water use.

WASTEWATER SERVICE ASSISTANCE

- **Grants of up to \$500** per household per year.
- **A 30% to 80% discount on the total wastewater charges**, which saves the average residential customer using 3,212 gallons/month \$42.00 to \$88.18 every month.* See chart on reverse side.
