

## Thank you for your request for a construction hydrant meter. We will need the following:

1. Separate check in the amount of \$1,500 payable to California American Water.

**Please note: Your deposit of \$1,500 will be cashed upon pick-up of the hydrant meter. Once the meter is returned to our office, you will not receive your deposit at that time. Your deposit will be refunded, less any damages, once your final bill has been paid in full. (Please allow 2~6 weeks for refund checks.)**

2. Complete and submit the attached application.
3. Attach an area map depicting where the hydrant meter will be located.

Send or bring the above items to:

California American Water  
Attention: Tina Heacox  
4701 Beloit Drive  
Sacramento, CA 95838

If you have any questions, please contact Tina Heacox at 916-568-4248.

**Hydrant Meter Agreement  
For Construction Water**

This agreement is made and entered into on this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, between \_\_\_\_\_ (“Applicant”) and California-American Water Company (“CAWC”), a California corporation. The parties agree to the following:

- 1) CAWC will issue to Applicant a Fire Hydrant Meter (“Meter”) to be used only to provide water for the Construction Project being developed by applicant at [address]:  
\_\_\_\_\_. Applicant is responsible for the security and safekeeping of the Meter. Applicant will return the Meter to CAWC upon completion of the project, or at CAWC’s request.
- 2) Applicant shall not allow any other person or entity to use the Meter for any purpose.
- 3) Prior to obtaining Meter, Applicant will pay to CAWC a fully refundable deposit of \$1500.00 per Meter. CAWC may retain and apply the deposit, or any portion of the deposit, toward damage to the Meter or any part of the CAWC water system due to fraudulent use, misuse, or negligence, or to satisfy any claim for indemnity hereunder. Upon return of the Meter, CAWC will return any unused portion of the deposit to Applicant. The deposit shall not accrue interest.
- 4) **TO AVOID PRESSURE SURGES, HYDRANTS MUST BE OPENED AND CLOSED VERY SLOWLY—30 seconds from full close to full open or from full open to full close. Only approved fire hydrant wrenches should be used, and fire hydrant caps should be replaced when fire hydrant is not is use.**
- 5) Applicant shall compensate CAWC for any damage Applicant causes to Meter or CAWC water system, and Applicant agrees to pay such compensation in a timely manner, not to exceed 30 days from presentation of invoice(s).
- 6) Applicant shall be solely responsible for any claims and liabilities for injury to persons or damage to property arising out of the use of construction water, and Applicant agrees to defend, indemnify, and hold CAWC, its officers, employees and agents harmless from any such claims.
- 7) **CAWC will read the Meter twice per week. Meter must be available at all times during normal daily business hours and must be on designated fire hydrant. Meter is to be returned as soon as job is complete or when Meter will not be used for two consecutive weeks.**
- 8) Taking water from a fire hydrant without the use of a valid Meter constitutes fraudulent use. CAWC prosecutes fraudulent use to the fullest extent of the law.
- 9) Cal-Am reserves the right to terminate Applicant's construction water permit upon Applicant's failure to comply with any of the above-listed requirements for obtaining, using and returning the Meter.
- 10) The following fire hydrant is authorized for construction water use under this Agreement:  
\_\_\_\_\_

I agree to abide by the above procedures:

Applicant Signature \_\_\_\_\_ Date: \_\_\_\_\_
