Dear Customer:

We have recognized that there may be a problem in your home or irrigation watering system; therefore, we have turned off the water to your home.

Please call customer service at 1-800-794-7350, 24 hours a day, 7 days a week to discuss alternatives. Perhaps we could meet with a friend or neighbor who has access to your home.

While we have taken this action to prevent damage to your property, lack of water to any non-desert plants for an extended period of time may cause difficulties. We request that you call us as soon as possible.

Sincerely,

Customer Service
