

# WE ARE CONVENIENT

OHIO  
AMERICAN WATER

---

American Water is proud to  
announce the launch of our  
new and improved website  
[www.amwater.com](http://www.amwater.com).

## A steady flow of information is just one click away.

We invite you to visit [www.amwater.com](http://www.amwater.com) and explore everything our new website has to offer. We have made it more informative, more useful, and easier to use than ever before.

There are dozens of new features and content areas, including a new **Customer Service** section containing useful information about your bill as well as a listing of important phone numbers.

Visit the **Learning Center** to read the latest news about our efforts to protect the environment and preserve the world's most precious resource.

**Request of Change Service**, including restoring or shutting off seasonal service, quickly and easily. This is a useful feature when you're moving or getting ready to travel and time is especially precious. You can also make arrangements for new water service for a new home or irrigation system.

Click on the portion of the website dedicated entirely to your state and find out how your local water company is making a difference in your community.

**Visit our new website today and you might learn something new about water – the life-essential resource that touches all of our lives every day.**
