## QUALIFICATIONS

1. Device purchase(s) must occur within the program period of January 01, 2008 to December 31, 2009. The number of rebates is dependent upon the availability of program funds
2. The location of installation must be served by California American Water's Los Angeles, San Diego, Sacramento/Placer, Sonoma or Ventura County service area systems.
3. Residential (single and multi-family), commercial, industrial, and institutional applicants are eligible.
4. New construction is not eligible for a rebate under this program.

## PROCEDURES FOR PARTICIPATING

5. First, call California American Water at 916-568-4201 to receive a list of eligible models and a rebate application or download at <http://www.amwater.com/caaw/customer-service/wise-water-use/index.html>.
6. Purchase and install the new approved device(s).
7. Return the original dated receipt(s) and installer's/plumber's invoice(s) with the cost, model and brand of each device listed individually, and the completed application. Keep a copy for your records.
8. Submitting a signed application represents agreement to have California American Water verify installation of the device with your accompaniment. We may also schedule an inspection.
9. Customer rebates vary per device. Call us to verify the amount you are eligible for. Rebate amount will not exceed money spent. Eligible expenses include: flush tank, bowl, seat, supply line, wax ring, caulking, bolts and covers, clothes washer, waterbroom, urinal, tax, and cost of professional installation.
10. Rebate check(s) will be issued within 6 to 8 weeks of receipt of your completed application.
11. California American Water or their representative is required to send IRS form 1099 to the customer and the IRS when rebates total \$600 or more.

## Disclaimer

California American Water (CAW) reserves the right to deny an application of any participant who does not meet all requirements as outlined. CAW reserve the right to change the terms of this program at their discretion. CAW is not responsible for receipts or paperwork lost in the U.S. mail. CAW cannot guarantee that the installation or use of the devices will result in lower water utility costs. The number of rebates is dependent upon the availability of program funds. Applications will be processed, when all required information is provided by the applicant, on a first-come, first-served basis.
