**RECONNECTION CHARGE**

When it has been necessary to discontinue water service to any premises because of a violation of the Company's Rules and Regulations or on account of non-payment of any bill for water service, a charge of fifteen dollars (\$15.00) will be made to cover the expense of turning on the water service.

However, any service reconnected at the request of a Customer after regular business hours, or on Saturdays, Sundays, or Holidays, will be billed a charge of Forty Dollars (\$40.00).

**INSUFFICIENT FUNDS CHARGE**

When a check that has been received as payment for water service is returned by the bank unpaid, due to insufficient funds, or an automatic debit to the customer's approved bank account as payment for water service is not recognized, due to insufficient funds, a

charge in the amount of nine dollars and fifty cents (\$9.50) will be assessed to cover the cost of processing such transaction.

## **WATER FOR BUILDING AND CONSTRUCTION PURPOSES**

### **Meter Rates**

Where a meter is installed on a fire hydrant or on a temporary service connection for construction purposes, the minimum payment for water shall be the monthly customer charge for general water service, payable in advance based upon the size of the meter installed. If more than one fire hydrant or special service connection is used, the customer charge is to apply to each such hydrant or temporary service connection so used.

The cost of installing and removing the temporary service connection and meter setting, or the connection made to the fire hydrant, shall be paid for by the Customer.

The Company may require an application to be signed and either the customer charge paid in advance or, at the option of the Company, a meter deposit made, and the account handled in the same manner as any other metered account as set forth on the schedule of General Metered Water Service rates.

### **BILLING OF LICENSE, OCCUPATION, FRANCHISE, OR OTHER SIMILAR CHARGES OR TAXES**

There will be added to the Customer's bill, as a separate item, an amount equal to the proportionate part of any license, occupation, franchise, or other similar fee or tax now or hereafter imposed upon the Company by local taxing authorities, whether imposed by ordinance, franchise or otherwise, and which fee or tax is based upon a percentage of the gross receipts, net receipts, or revenues from sales of water rendered by the Company to the Customer.

Where more than one such charge or tax is imposed by a taxing authority, the total of such charges or taxes applicable to a Customer may be billed to the Customer as a single amount.

Charges or taxes herein referred to shall in all instances be billed to Customers on the basis of Company rates effective at the time of billing, and on the basis of the tax rate effective at the time billing is made.

### **DEFERRED MAIN EXTENSION MONTHLY PAYMENT**

Deferred Main Extension Monthly Payment will apply to customers receiving water service through a main extension installed under the Rule 23.6. In addition to the rates and charges for General Water Service and, where applicable, Fire Service, such customers will pay a Deferred Main Extension Monthly Payment computed in accordance with Rule 23.6 and based on the cost of the main extension.

## **DISTRIBUTION SYSTEM IMPROVEMENT CHARGE**

The Distribution System Improvement Charge (DSIC) set forth on this schedule is applicable where clearly denoted on other rate schedules, and shall be added to the volumetric rates billed. Changes to the DSIC shall be occasioned by filings in accordance with Indiana Code Chapter 8-1-31.
