GENERAL METERED SERVICE

SPECIAL CONDITIONS

1. Any residential customer who has been required to install a Residential Fire Sprinkler System (R.F.S.S.) at their place of residence by local fire ordinances will be allowed to have their monthly service charge reduced by one meter size, provided it has been requested by the customer and verified by the Company that the lower size of meter would be large enough to provide adequate service to the residence. The R.F.S.S. Service is not considered a fire service by the Company, but is considered an oversized general metered service and therefore, only the rules and conditions of service for general metered service apply.
2. A 1.00% surcharge is included on each bill to collect franchise taxes and/or business license fees paid to Monterey County. The amount collected is based on a percentage of the gross revenues of each bill.
3. Customers must apply with the Company for acceptance into the Program for Alternate Rates (PAR). The Company will analyze applications based upon proof of acceptance into the California Alternate Rates for Energy Program of Pacific Gas and Electric.
4. All bills are subject to the reimbursement fee set forth on Schedule No. UF.
5. Per Advice Letter 878 and D. 09-05-029, a volumetric surcharge will be applied to each customer's bill to fund conservation programs by California American Water. This surcharge will collect a total of \$2,674,678 and remain in effect through December 31, 2011 as follows;
