You are responsible for the water & sewer lines running through your property.

Normal wear and tear can cause a leak or break to your water line or a blockage to your sewer line that may cost you thousands of dollars to repair. Most homeowner insurance policies do not cover these expenses. In cooperation with our affiliate, American Water Resources, New Jersey American Water is pleased to introduce a solution to protect you from these unexpected costs and provide emergency repairs.

WATER LINE PROTECTION PROGRAM

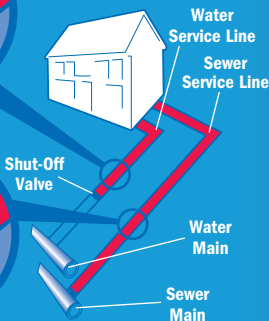

- Coverage for leaks or breaks to your water line up to \$4,000
- Convenient 24-Hour Emergency Service Hotline

- Homeowner Responsibility
- Utility Company Responsibility

SEWER LINE PROTECTION PROGRAM

- Coverage for your blocked or clogged sewer line up to \$8,000
- Unlimited service calls

In addition, the In-Home Plumbing Emergency Program covers clogged sinks, overflowing toilets, backed up drains and more for up to \$1,500 in damage, plus unlimited service calls.
