

NEW MEXICO  
AMERICAN WATER

**REQUEST FOR EXPRESSIONS OF INTEREST**

**CLOVIS, NEW MEXICO AREA WATER SUPPLY  
SUPPLY OF LEASED WATER**

Expressions of Interest

New Mexico American Water is the public utility water provider for the Clovis, New Mexico area and intends to augment its water production capability with the purchase of leased water from area water rights owners (Lessors).

New Mexico American Water intends to enter into wet water leases of up to 1,000 acre-feet per annum at initial terms of up to ten (10) years with renewal options. Additional purchases of leased wet water may follow as needed to supplement our resources. Lessors will be responsible for improvements to bring their wells to drinking water standards as determined by New Mexico American Water.

We invite valid water rights holders who are located in or around Clovis to indicate their interest in leasing water. Interested parties should provide: a) NM Office of State Engineer file number and volume of water right; b) location of well(s); and, c) pumping capacity of well(s).

One or more Lessors may be selected in accordance with our procurement process to be finalized in part after reviewing the responses to this Request for Expressions of Interest.

Interested parties may obtain submission forms and further information at the address below from 8:30 a.m. to 4:00 p.m.

Expressions of interest should be delivered to the address below by 4:00 p.m. on June 23, 2011.

**Submissions should include return contact information including name, address, telephone, and email address in addition to items “a,” “b” and “c” above.**

For submittal or further information contact:
