A. WATER LINE PROTECTION PROGRAM

This agreement is between American Water Resources, Inc. and You, a participant in the Water Line Protection Program, hereinafter referred to as the "Contract" or the "Program". Please read the Contract and retain it for Your records.

B. THIS AGREEMENT COVERS

American Water Resources, Inc.'s Program will, subject to the terms and conditions outlined below, cover the costs associated with Our providing service to repair leaks or breaks to Your Water Line caused by normal wear and usage.

C. DEFINITIONS

• **Administrator** means American Water Resources, Inc., 1410 Discovery Parkway, Alton, Illinois 62002. Toll-Free 1-866-430-0819.

• **Confirmation Letter** means the acknowledgement letter You will receive from Us outlining the following information about Your Program enrollment:

- Your Name
- Your Covered Address
- Your Customer Number
- Your Program Effective Date
- Your Program Term

• **Effective Date** means the date protection begins under the Program, which is 30 days after Your Enrollment Date. Your Program Effective Date is listed on Your Confirmation Letter.

• **Emergency** means that the break or leak: 1) has resulted in the Water Company shutting off the water to the residence; 2) is causing property damage to the residence or to property inside the residence; 3) is causing a public hazard that has been declared by a local, county, state or federal department or agency with responsibility for the situation; or 4) is causing an immediate risk to the health of a resident in the home serviced by the water lateral.

• **Enrollment Date** means the date Your enrollment is received and processed by Us.

• **Lapse of Coverage** means the discontinuation of the Program protection resulting from Your failure to remit payment to Us of (i) the Program Fee for Your Term or an additional Term or (ii) Your periodic Program Fee within 30 days from the date said payment was due. In both instances, the Program will lapse without notice.

• **Program** means American Water Resources, Inc.'s Water Line Protection Program, as governed by these Terms and Conditions.

• **Program Fee** means the annual amount You must pay Us for Program protection during Your Term. We will collect the Program Fee based on the payment authorization You provide Us at the time of enrollment and for each additional Term You purchase. If You enrolled in the Program under a promotional Program Fee offer and You contact Us during any Term and We grant Your request to modify the conditions of that offer, Your Program Fee will be adjusted to reflect the then-current annual Program Fee based on the Program protection We provide for the remainder of the Term.

• **Term** means the period of time, from the Program Effective Date, Your Program will be in effect. The Program Term is annual (365 days) unless it is terminated or cancelled sooner as provided in this Contract. Your Program Term is listed on Your Confirmation Letter.

• **Wastewater Service Provider** means Your local sewer utility company or local sewer utility authority that owns and is responsible for maintaining the wastewater collection system that receives wastewater from Your home.

• **Water Line** means the section of the single lateral water service line You own that runs from Your home to the connection owned by Your Water Service Provider. If the meter is located inside Your home, it is the section of the water service line from Your property line to the inlet side of the meter. If the meter is located outside Your home, it is the section of the water service line from the outlet side of the meter to the main shut-off valve inside Your home. If You are the homeowner of an upstairs dwelling in a multi-unit building and Your Water Line passes through the walls of a neighboring or downstairs dwelling, the Program covers only the portion of Your Water Line located outside of the exterior wall of the building.

• **Water Service Provider** means Your local water utility company or Your local water utility authority that owns and is responsible for maintaining the exterior main line and section of the service line that delivers a fresh water supply to Your home through Your Water Line.

• **We, Us and Our** mean the Administrator.

• **You and Your** mean the owner of a single-family residential home and the purchaser of this Program.

D. ELIGIBILITY FOR PROTECTION

You must be a residential customer of Your Water Service Provider and the owner of an occupied single-family home in which the Water Line is located. Prior to Your Effective Date in the Program, Your Water Line must be free of leaks or breaks.

Homeowners of multi-unit dwellings such as condominiums, townhomes or duplexes are eligible for the Program only if they have ownership and maintenance responsibility for the dwelling's Water Line. The Program is not available to any tenant who rents or leases a single-family residential home. In the event that You are not eligible for protection under the terms and conditions of the Program, Our only obligation is to refund any Program Fee payments made by You to Us. Once We have paid You this refund, the Program will be voided as of Your Enrollment Date.

E. PERIOD OF PROTECTION

Program protection initiates 30 days after Your Enrollment Date and will continue for the Term listed on Your Confirmation Letter. Your Program Term may be automatically extended provided You make timely payments to Us at the then-current annual Program Fee. If You purchase an additional Term without a Lapse of Coverage, Your covered period of protection will remain the Program Effective Date listed on Your Confirmation Letter. If the Program lapses as outlined under "Lapse of Coverage," You may re-enroll in the Program at any time subject to a new Enrollment Date and Effective Date.

(See below for additional information about How to Get Service and Your Responsibilities.)

If a permit is required to perform any repair service under the Program, We will obtain proper permitting before work will commence. Any repair service We perform to Your Water Line will comply with applicable plumbing code requirements. Any subsequent repair service We provide to repair the same portion of Your Water Line that occurs within 60 days of a prior-covered repair service We provided You, will be considered as part of that prior-covered repair service and limited to the applicable Program limits, per occurrence outlined above. **You will not, unless at Your own expense, engage a contractor or otherwise incur costs to repair Your Water Line on Our behalf.** You may neither transfer the Program to a new owner of Your home nor transfer the Program to a different residence owned by You.

H. LIMITED WARRANTY

Subject to the terms and conditions stated in this Contract, We warrant that We will pay the cost to provide Our service to repair leaks or breaks to Your Water Line under the Program that result from normal wear and usage.
