

Rule No. 11

DISCONTINUANCE AND RESTORATION OF SERVICE

A. Customer's Request for Discontinuance of Service

1. A customer may have service discontinued by giving not less than two days' advance notice thereof to the utility. Charges for service may be required to be paid until the requested date of discontinuance or such later date as will provide not less than the required two days' advance notice.
2. When such notice is not given, the customer will be required to pay for service until two days after the utility has knowledge that the customer has vacated the premises or otherwise has discontinued sewer service.

B. Disconnection of Service by Utility

1. For Nonpayment of Bills

- a. A customer's service may be disconnected for nonpayment of bill for service furnished if the bill is not paid within 19 days after presentation, provided the utility has given the customer at least five days prior written notice of such intention. Service will not be disconnected until the amount of any deposit made to establish credit for that service has been fully absorbed.

2. For noncompliance with Rules

The utility may disconnect service to any customer for violation of these rules after it has given the customer at least five days' written notice of such intention. Where such violations endanger the health and safety of other customers or the community, service may be disconnected immediately without notice.

3. For Use of Sewer Service that is Detrimental or Damaging to the Utility or Its Customers

If the use of the sewer service by the customer is found to be detrimental or damaging to the utility or its customers, the service may be shut off without notice. The utility will notify the customer immediately of the reasons for the disconnection and the corrective action to be taken by the customer before service can be restored.

4. For Fraudulent Use of Service

When the utility has discovered that a customer has obtained service by fraudulent means, or is using the sewer service for unauthorized use, the service to that customer may be disconnected without notice.
