

Rule No. 19

**SERVICE TO SEPARATE PREMISES AND MULTIPLE UNITS,
AND RESALE OF SEWER SERVICE**

A. Number of Services to Separate Premises

Separate premises under single control or management will be supplied through separate individual service pipes unless the utility elects otherwise.

B. Service to Multiple Units on Same Premises

Separate houses, buildings, living or business quarters on the same premises or on adjoining premises, under a single control or management, shall be served through a single service pipe to supply the entire premises in which case only one minimum or readiness to serve charge will be applied, unless multiple septic tanks are installed on the premises, in which case the service charge shall reflect the number and size of all tanks.

The responsibility for payment of charges for all service furnished to combined units through a single service pipe, in accordance with these rules, shall be assumed by the applicant.

C. Resale of Sewer Service

Except by special agreement with the utility, no customer shall resell any of the sewer service received from the utility by accepting sewage not generated on the premises served and discharging it to the utility through the customer's service.
