ADVICE LETTER NO. 1151-A

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

California-American Water Company (California American Water) (U210W) hereby submits for review this advice letter including the following tariff sheets applicable to its Toro service area of Monterey County District which are attached hereto:

<u>C.P.U.C. Sheet No.</u>	<u>Title of Sheet</u>	<u>Canceling Sheet No.</u>
8465-W	Schedule No. MO-TO-1 Monterey County District Tariff Area Toro Service Area GENERAL METERED SERVICE	8128-W

8469-W	TABLE OF CONTENTS (Continued) (Page 3)	8462-W
8470-W	TABLE OF CONTENTS (Page 1)	8464-W

Purpose:

This advice letter filing is being made in order to request approval of the 2017 step increase for Sacramento District in accordance with California Public Utilities Commission (Commission) Decision (D.) 15-04-007. This supplement is being submitted for minor revisions discussed with the Division of Water and Audits, including an update to the Franchise Fee, present rate revenue, and total consumption for rate design.

Background:

Submission of these tariffs is made in compliance with Ordering Paragraph 8 of D. 15-04-007 which states:

For escalation years 2016 and 2017, California-American Water Company shall file Tier 2 advice letters proposing new revenue requirements and corresponding revised tariff schedules for each district. The filing shall include rate procedures set forth in the Commission's Rate Case Plan (Decision 07-05-062) for Class A Water Utilities and shall include appropriate supporting workpapers. The revised tariff schedules shall take effect no earlier than January 1, 2016, and January 1, 2017, respectively and shall apply to service rendered on and after their effective dates.

These tariffs are also being filed in compliance with ordering paragraph 13 of D. 15-04-007 which states:

13. California-American Water Company is required to file 2016 and 2017 escalation year filings for each and every district.

This filing also includes an analysis on Cal-Am's low income program per the settlement agreement adopted in D.15-04-007, which states:

...ORA and CAW further agree:

- 1. The program will be a Company-wide program,*
- 2. A surcharge will be based on the parameters and calculations as detailed in the above Rate Design Section 10 of this document,*
- 3. The surcharge will be applicable to all non-low Income water and wastewater customers,*
- 4. The surcharge will be evaluated and adjusted annually in the annual Step rate filings to ensure appropriate collections, and*

The annual adjustment will be based on calculations as provided in Attachment E-7 to this settlement wherein actual data for discounts, Low Income customers and total customers are inserted into the calculation to replace estimates that are currently shown. Actual data should be through September 30, of the last recorded period.

Request:

This advice letter filing is to request implementation of Toro's 2017 step rates.

As shown in the supporting earnings test and workpapers for the twelve months ended September 30, 2016, the district earned a rate of return of 8.06% on a recorded basis and 10.66% on a "proforma" basis. The most recent authorized rate of return per D. 12-07-009 was 8.41%, adjusted to 8.50% to match the designated pro forma period.

In accordance with the Commission staff's procedures for filing step increase, attrition and offset advice letters, since the pro forma rate of return is higher the authorized rate of return of the same time period, the district is over earning and is, therefore, not entitled to the full step rate increase. California American Water, therefore, respectfully requests a step rate increase in the amount of \$6,308 or 0.80%.

In accordance with Section 4.3 of General Order No. 96-B, a copy of this advice letter is being sent to those entities listed in Exhibit A.

Copies of the detailed workpapers and the documents supporting this Advice Letter have been furnished to the Commission Staff.

The actions requested in this advice letter are not now the subject of any formal filings with the Commission, including a formal complaint, nor action in any court of law.

This filing will not cause the withdrawal of service, nor conflict with other schedules or rules.

Tier Designation:

Pursuant to D.15-04-007, this advice letter is submitted with a Tier 2 designation.

Effective Date:

Pursuant to D.15-04-007, California American requests an effective date of March 12, 2017

7. A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.
