### PURPOSE

This supplemental advice letter addresses issues raised by DWA regarding the inclusion of interest during the recovery period. It also includes an adjustment to commercial paper rates between January to July 2013.

The purpose of advice letter 1108 was to request recovery of the 2013 GRC Interim Rate Memorandum Account for the San Diego County District in connection with Cal-Am's 2013 General Rate Case ("GRC") in A.13-07-002. This request is in compliance with authorizations of the California Public Utilities Commission as detailed in the Rate Case Plan in D. 07-05-062 ("RCP") and ALJ Ruling issued on September 16, 2014 in A.13-07-002.

## **BACKGROUND**

The Commission granted Cal-Am memorandum accounts to track the difference between interim rates and final rates through Advice Letter 1064, approved on January 5, 2015 with an effective date of January 1, 2015.

Cal-Am hereby submits this filing to recover the balances in the memorandum accounts for the San Diego County district.

Submission of these tariffs is made in compliance with Ordering Paragraph 4 of D.15-04-007, which states;

*4. California-American Water Company is authorized to file by Tier 1 advice letter to recover the difference between the 2015 interim and final rates from its customers. This calculation must be based on the 2015 rate tariff schedules that would have been implemented under the present rate design.*

## **REQUEST**

Cal-Am requests the interim rate true-up total be rolled into the Consolidated Expense Balancing Account ("CEBA") as a quantity based surcharge effective February 1, 2016. The proposed 1 year amortization period is consistent with Standard Practice U-27-W.

The interim rate true-up including the Consolidated Expense Balancing Account ("CEBA") for the period January 1, 2015 through November 30, 2015, including interest, is (\$1,164,736).

In accordance with Section 4.3 of General Order No. 96-B, a copy of this advice letter is being sent to those entities listed in Exhibit A.

Copies of the detailed workpapers and the documents supporting this Advice Letter have been furnished to the Commission Staff.

## **SERVICE LIST**

Pursuant to Section 4.3 of General Order No. 96-B, a copy of this advice letter is being sent to those entities listed in the attached service list. Copies of the detailed workpapers and the documents supporting this Advice Letter have also been furnished to the Commission Staff.

## **EFFECTIVE DATE**

Cal-Am submits this as a Tier 1 advice letter per D.15-04-007 and requests an effective date of February 1, 2016.

Anyone may submit a response or protest for this AL. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A **protest** objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds<sup>2</sup> are:

4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require re-litigating a prior order of the Commission.

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

DWA must receive a response or protest via email (or postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

#### **EFFECTIVE DATE**

Cal-Am submits this as a Tier 1 advice letter per D.15-04-007 and requests an effective date of February 1, 2016.

#### **RESPONSE OR PROTEST**<sup>1</sup>

Anyone may submit a response or protest for this AL. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A **protest** objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds<sup>2</sup> are:

1. The utility did not properly serve or give notice of the AL;
2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;

<sup>1</sup> G.O. 96-B, General Rule 7.4.1

<sup>2</sup> G.O. 96-B, General Rule 7.4.2

3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require re-litigating a prior order of the Commission.

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

DWA must receive a response or protest via email (or postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

The addresses for submitting a response or protest are:

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform the Water Division, within the 20-day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

**REPLIES**<sup>3</sup>

The utility shall reply to each protest and may reply to any response. Any reply must be received by DWA within five business days after the end of the protest period, and shall be served on the same day on each person who filed the protest or response to the AL.

Schedule No. SD-1 (continued)  
San Diego County District Tariff Area  
GENERAL METERED SERVICE

SPECIAL CONDITIONS:

General Items:

1. Qualifying low-income customers can receive a discount on their bill. Customers must apply with the Company for acceptance into the low-income program. For additional details, please see Tariff Schedule CA-LIRA.
2. Any customer paying for service at a premise where a Residential Fire Sprinkler System (RFSS) is required/requested to be installed by local fire and building codes shall be allowed to have their monthly service charge modified in accordance with the monthly costs for RFSS service charges. Provided, however, that the RFSS rate has been requested by the customer and verified by the Company that the smaller size of meter would be large enough to provide adequate service for the property in absence of the additional demand necessary to supply water to the sprinkler system. The RFSS will not be considered a fire service by the Company, but as an oversized general metered service. As such the rules and conditions of service for general metered service shall apply.

Fees and Surcharges:

3. All bills are subject to the reimbursement fee set forth in Schedule No. UF.
4. A surcharge is included on each bill to collect franchise taxes and/or business license fees paid to various municipalities. The amount collected is based on a percentage of gross revenues of each bill. The percentage is 2% to City of San Diego and City of Imperial Beach.
5. Per Advice Letter 1072-A, a surcharge of \$0.0054 per 100 gallons will be applied to each bill to fund conservation efforts. The surcharge will remain in effect until otherwise directed by the Commission.
6. Per Advice Letter 1094, a surcharge of \$1.86 for the Low-Income Ratepayer Assistance Program ("LIRAP") Balancing Account will be collected from all non-low income water and wastewater customers.
7. Per Advice Letter 1108-A, the under-collected balance in the San Diego County District Consolidated Expense Balancing Account (CEBA) will be recovered through a quantity based surcharge of \$0.0338 per 100 gallons over 12 months effective February 1, 2016. The total amount will be recovered from all classes of customers. (C)
8. Per Advice Letter 1105-A, a surcharge is applied to each bill to offset increases in purchased water costs imposed by the City of San Diego. This offset results in a needed revenue increase of \$1,960,482 or 7.08%. The surcharge of \$0.0684 per 100 gallons is added to the quantity rate effective January 1, 2016.
