ADVICE LETTER NO. 1435

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Pursuant to General Order 96-B and Decision (“D.”) 22-12-001, California-American Water Company (“California American Water”) (U210W) submits for filing and review this advice letter including the tariff sheets applicable to its Southern Division which are attached hereto.

Purpose:

The purpose of this advice letter is to request Commission approval of an increase in rates of \$1,924,597 or 1.41% to offset increased purchased water costs in California American Water’s Southern Division.

Background:

California American Water requests authority pursuant to General Order (GO) 96-B, Water Industry Rules, Section 7.3.1, and Section 454 of the Public Utilities Code to offset purchased water expenses in its Southern Division.

Purchased Water

California American Water incurs its purchased power expenses from various purveyors that supply water to California American Water’s Baldwin Hills, Ventura, and San Marino Service Areas. California American Water incurs its purchased water expenses for these Southern Division Services Areas from the Calleguas Municipal Water District, West Basin Municipal Water District, and the Metropolitan Water District of Southern California. These various wholesalers have increased rates to California American Water. California American Water requests that the full increase be offset as a quantity surcharge to account for the annual change in purchased water costs.

California American Water seeks to offset increased wholesale costs from water providers in the Ventura, Baldwin Hills, and San Marino Service Areas of California American Water’s Southern Division. For Ventura the per AF rate increases from \$1,632 to \$1,730 for Tier-1 rates, \$1,841 to \$1,929 for Tier-2 rates, \$103,441 to \$114,996 for the Readiness to Serve Charge, and \$92,541 to \$102,719 for the Capacity Reservation Charge to match the invoice California American Water received from Calleguas Municipal Water District. For Baldwin Hills the AF rate increase from \$1,605 to \$1,677 for the West Basin Municipal Water District cost per AF to match the notice received from West Basin Municipal Water District. For San Marino, the AF rate increase from

1,114 to \$1,256 for Tier-1 Rates to match the invoice California American Water received from the Metropolitan Water District of Southern California.

The increase to water rates results in a \$1,914,799 annual increase to purchased water expense to California American Water, plus a corresponding increase of \$9,798 in uncollectible for a total increase of \$1,924,597. The increase is directly related to water consumption and thus should be applied to the quantity rate. The resulting final purchased water surcharge by service area is as follows. Per Decision 21-11-018 California American Water is authorized to partially consolidate purchased water costs in its Southern Division, as agreed to in Section 4.3 of Settlement approved by D.21-11-018. Pursuant to the approved Settlement, 70% of purchased water expenses for Baldwin Hills and Ventura would be consolidated into the Southern Division and 30% would remain within the applicable District.

Service Area	Surcharge per CGL
Baldwin Hills	\$0.0331
Duarte	\$0.0212
San Marino	\$0.0190
San Diego	\$0.0212
Ventura	\$0.0482
Bellflower	\$0.0212

Request:

California American Water requests authorization to implement (1) a purchased water surcharge totaling \$0.1587 per ccf (\$0.0212 per 100 gallons) for Duarte, San Diego, and Bellflower Service Area customers, (2) a surcharge totaling \$0.2473 per ccf (\$0.0331 per 100 gallons) for Baldwin Hills Service Area customers, and (3) a surcharge totaling \$0.3603 per ccf (\$0.0482 per cgl) for Ventura Service Area customers, and (4) a surcharge totaling \$0.1423 per ccf (\$0.0190 per cgl) for San Marino Service Area customers.

Tier Designation:

This advice letter is submitted with a Tier 1 designation.

Effective Date:

California American Water requests an effective date of January 1, 2024.

Notice & Service List:

This is a Tier 1 advice letter that does not require customer notification, as provided in Water Industry Rule 7.3.1 of General Order 96-B. California American Water will notify its customers of this production expense by placing a message on the customer's water bills that are generated after the increase goes into effect. In accordance with General Order 96-B, General Rule 4.3 and 7.2 and Water Industry Rule 4.1, a copy of this

advice letter will be transmitted electronically to interested parties having requested such notification. ***Please note that this advice letter will only be distributed electronically.***
