ADVICE LETTER NO. 1481-A

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

California-American Water Company ("California American Water") (U210W) hereby submits for review this advice letter, attached hereto, which is applicable to all its Southern Division service areas.

Purpose:

This supplemental advice letter updates the surcredit calculation associated with the Southern Division as filed in AL 1481.

In compliance with Decision ("D.") 24-12-025, California American Water files this advice letter to amortize the 2024 Incremental Cost Balancing Account ("ICBA") balances.

Background:

California American Water was authorized to create ICBAs for all its service areas through D.24-12-025.

D.24-12-025, issued December 5, 2024, resolved California American Water's general rate case application A.22-07-001. Special Request #2 from A.22-07-001 requested ICBAs for its San Diego and Ventura services areas and Full Cost Balancing Accounts ("FCBA") for its Monterey, Los Angeles, Sacramento, and Larkfield service areas as part of the M-WRAM proposal. D.24-12-025 rejected California American Water's request for FCBA and granted ICBAs for all service areas.¹

California American Water filed its General Rate Case ("GRC") Implementation Advice Letter 1459 on January 6, 2025 and added Purchased Water and Purchased Power ICBAs to its preliminary statements. Advice Letter 1459 was approved by the Commission on March 4, 2025.

Request:

In compliance with D.24-12-025, California American Water requests authority to amortize Southern Division 2024 ICBA balances. California American Water will provide a one-time meter-based credit to customers that will equal the total over-collection balance of \$672,804 and will equal to \$5.15 for a typical customer with a 5/8" meter.

Tier Designation:

This advice letter is submitted pursuant to General Order No. 96-B and D.24-12-025 and is designated as a Tier 1 filing.

Effective Date:

California American Water requests an effective date of July 1, 2025.

¹ D.24-12-025 at 44-46.

Notice and Service List:

This is a Tier 1 advice letter that does not require customer notification, as provided in Water Industry Rule 7.3.1 of General Order 96-B. In accordance with General Order 96-B, General Rule 4.3 and 7.2 and Water Industry Rule 4.1, a copy of this advice letter will be transmitted electronically to competing and adjacent utilities and other utilities or interested parties having requested such notification. ***Please note that this advice letter will only be distributed electronically.***

Response or Protest²

Anyone may respond to or protest this advice letter. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A **protest** objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds³ are:

1. The utility did not properly serve or give notice of the AL;
2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require relitigating a prior order of the Commission.)
7. A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

DWA must receive a response or protest via email (**or** postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

The addresses for submitting a response or protest are:

² G.O. 96-B, General Rule 7.4.1

³ G.O. 96-B, General Rule 7.4.2

Email Address:

Water.Division@cpuc.ca.gov

Mailing Address:

CA Public Utilities Commission
Division of Water and Audits
505 Van Ness Avenue

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform DWA, within the 20 day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

REPLIES

The utility shall reply to each protest and may reply to any response. Any reply must be received by DWA within five business days after the end of the protest period, and shall be served on the same day on each person who filed the protest or response to the AL.

The actions requested in this advice letter are not now the subject of any formal filings with the California Public Utilities Commission, including a formal complaint, nor action in any court of law.

This filing will not cause the withdrawal of service, nor conflict with other schedules or rules.

If you have not received a reply to your protest within 10 business days, please contact Chase Grady at (916) 568-4241.
