Fort Walker (formerly Fort AP Hill) was downgraded from a Community Water System to a Non-Transient, Non-Community (NTNC) Water System in 2022 due to a decrease in population served. NTNC Drinking Water Systems are not required to complete a CCR.

Information on Fort Walker’s Water Quality can be found on the Virginia Drinking Water Watch Website: https://vadwv.gecsws.com/

Fort Walker (formerly Fort AP Hill)
PWS ID: VA6033251

QUALITY. ONE MORE WAY
WE KEEP LIFE FLOWING.
