

# SIGNATURE GRANT PROGRAM BUILDING BETTER COMMUNITIES

AMERICAN WATER  
CHARITABLE  
FOUNDATION

## Community Impact Report

Chesapeake Sensory Plaza, Bel Air, MD

The **Building Better Communities** initiative helps communities served by American Water enhance or create public park spaces that encourage the community to engage in water, nature-inspired play, environmental education and water-based recreation. During the last seven years, through our partnership with the National Recreation and Park Association, the American Water Charitable Foundation has awarded \$2.8 million to 18 communities served by American Water. We are pleased to continue this partnership and anticipate awarding additional projects in 2021. **Giving back is part of who we are.**

### OUR RESULTS

**\$2.8 million**  
donated

**876,000 people**  
provided access

**18 projects**  
in 11 states
