CLASSIFICATION OF SERVICE
FIRE SERVICE

PUBLIC FIRE HYDRANTS

Each municipality or governmental entity responsible for public fire service in the areas listed below shall pay for each public fire hydrant within its boundaries.

Monthly surcharge per hydrant: \$66.30

Where applicable: Clarksville.

PUBLIC FIRE PROTECTION SURCHARGE

Applicability

Applies to all customers, with the exception of Sale for Resale customers, not located within the boundaries of the governmental entities responsible for public fire service in the areas listed in Public Fire Hydrants. Applicable to any water customer, with the exception of Sale for Resale customers, located in areas within municipal boundaries or to any water customer within 1,000 feet of a public fire hydrant (measured from the hydrant to the nearest point on the property line of the customer) on the Company's distribution mains in areas not within municipal boundaries. In addition to the charges for water service under currently approved tariffs, a public fire protection surcharge shall be charged to, and collected from, each customer to whom said surcharge is hereby made applicable. If multiple meters are installed the surcharge(s) shall be based upon the total of all meters installed.

CLASSIFICATION OF SERVICE

METERED PLANT SALES

Available to all customers desiring to purchase water pumped directly into portable water tanks, furnished by the Customer, at the Company's designated plant sites from a coin-operated machine charged at the current schedule of metered rates.

MISCELLANEOUS TEMPORARY WATER SERVICE

Miscellaneous temporary water service is available upon application therefore for construction projects located in the vicinity of distribution mains of the Company suitable and adequate for supplying the service requested in the territory served by the Company. Each application for service under this rate shall list in detail the purposes for which water service is to be used. If more than one fire hydrant or special service connection is used, the customer charge is to apply to each such hydrant or temporary service connection so used.

Rate:

The rate for this service shall be the sum of the charges as determined under sub-paragraphs (a) and (b) below:

(a) The applicant for Miscellaneous Temporary Water Service shall be required to pay the Company's cost of labor plus 30% for supervision, transportation, materials (excluding the cost of the meter), use of tools, and overhead and indirect costs required in connection with establishing, disconnecting and dismantling of the temporary connection. This payment shall be made to the Company before the facilities are installed by the Company based upon amounts estimated by the Company. The payment shall be adjusted to actual costs by a refund or additional charge when service is discontinued.

(b) The volume of water taken through the temporary connection shall be metered by a meter furnished and owned by the Company. For water consumed through such meter, the regular schedule of water rates, including minimum payment provisions, for General Water Service shall apply.

CLASSIFICATION OF SERVICE
RATE FOR MISCELLANEOUS TEMPORARY WATER SERVICE (CONT'D)

Permit where use of fire hydrants is required:

If the temporary water service connection is from a public fire hydrant, then a permit to use the hydrant must be obtained by the applicant from the Company. A permit will be issued by the Company only when the applicant first obtains written permission from the Chief of the Fire Department for use of the hydrant and delivers the written permission to the Company. Any permit issued by the Company shall be revocable at the Company's option.

Special provisions:

The Company reserves the right to discontinue service if the purpose for which water is used or the quantity of construction work to be performed have been misrepresented. In that event, the Company will refund the unearned portion of the advance payment.

RECONNECTION CHARGE

When it has been necessary to discontinue water service to any premises because of a violation of the Company's Rules and Regulations or on account of non-payment of any bill for water service, a charge of Forty Dollars (\$40.00) will be made to cover the expense of turning on the water service, except customers located in the acquired areas within the former Rivers Edge Utility Inc.'s Certificate of Territorial Authority and the customers of Sunset Village as discussed on page 3 above.

However, any service reconnected at the request of a Customer after regular business hours, or on Saturdays, Sundays, or Holidays, will be billed a charge of Sixty Dollars (\$60.00).

INSUFFICIENT FUNDS CHARGE

In the event a check, draft of other instrument tendered to the Company for water service provided by the Company is dishonored by the bank or another institution upon which it is drawn, by reason of "insufficient funds", "account closed" or other similar reason, a Charge For Dishonored Check of Nineteen Dollars (\$19.00) for each such dishonored instrument will be made by the Company to the customer except customers located in the acquired areas within the former Rivers Edge Utility Inc.'s Certificate of Territorial Authority and the customers of Sunset Village as discussed on page 3 above. Such charges will be added and will be due and payable on the terms and conditions of the Company's billing in payment of which the dishonored instrument was so tendered. The Company may serve a Customer on a cash basis for the next twelve months only if more than one check of the Customer is returned NSF in the previous twelve-month period. "Cash" shall be deemed to mean U.S. currency, U.S. Postal money order, or certified check.

AFTER HOURS SERVICE CHARGE

A charge of \$20.00 per call will be made for non-emergency customer service calls made after normal working hours, weekends, or holidays at the customer's request, provided the reason for the call was not the fault of the water company. This charge is separate and distinct from the reconnection charges or any other charges. It is non-cumulative in respect to the other charges listed.

REBATES AND ABATEMENTS

When a customer has an extended absence exceeding two months, there will be no abatement of water rates unless the customer notifies the company in sufficient time so the meter can be removed before the customer departs. Service shall be resumed upon notification by the customer and his payment of a \$10.00 service charge, which also includes the cost of removal of the meter.

CLASSIFICATION OF SERVICE

DEFERRED MAIN EXTENSION MONTHLY PAYMENT

Deferred Main Extension Monthly Payment will apply to customers receiving water service through a main extension installed under Rule 8.3. In addition to the rates and charges for General Water Service and, where applicable, Fire Service, such customers will pay a Deferred Main Extension Monthly Payment computed in accordance with the Rule specified above and based on the cost of the main extension.

BILLING OF LICENSE, OCCUPATION, FRANCHISE, OR OTHER SIMILAR CHARGES OR TAXES

There will be added to the Customer's bill, as a separate item, an amount equal to the proportionate part of any license, occupation, franchise, or other similar fee or tax now or hereafter imposed upon the Company by local taxing authorities, whether imposed by ordinance, franchise or otherwise, and which fee or tax is based upon a percentage of the gross receipts, net receipts, or revenues from sales of water rendered by the Company to the Customer.

Where more than one such charge or tax is imposed by a taxing authority, the total of such charges or taxes applicable to a Customer may be billed to the Customer as a single amount.

Charges or taxes herein referred to shall in all instances be billed to Customers on the basis of Company rates effective at the time of billing, and on the basis of the tax rate effective at the time billing is made.
