GET TO KNOW US

New Jersey American Water is the largest water service provider in the state, serving approximately 2.7 million people in 192 communities. More than 800 highly-skilled professionals carry out the company’s foremost responsibility of providing safe, reliable water and wastewater service to our customers around the clock.

INVESTED IN OUR FACILITIES

Our team of experts continuously monitor, maintain and upgrade our facilities to ensure that they operate efficiently and meet all regulatory standards. This requires investing millions each year in our infrastructure, including treatment plants, tanks, pump stations, pipes, fire hydrants and metering equipment. We do this because we care about our customers as much as we care about water. Statewide, we invested more than $330 million in 2018 alone to improve the water treatment and pipeline systems.

HIGH-QUALITY WATER SERVICE

We have an exceptional track record when it comes to water quality and drinking water regulatory compliance. Our water quality and treatment plant operators perform thousands of tests every day for about 100 regulated contaminants at our nearly five quality control labs. Plus, we have access to American Water’s Central Laboratory – one of the most advanced water quality labs in the country.

PARTNERSHIP FOR SAFE WATER AWARDS

We take water quality so seriously that five of our water treatment plants have been nationally recognized with Directors Awards from the U.S. EPA’s Partnership for Safe Water program for surpassing federal and state drinking water standards.
NEW JERSEY AMERICAN WATER FACTS AT A GLANCE

- **COMMUNITIES SERVED**: 192 communities in 18 counties
- **CUSTOMERS SERVED**: 647,000 water customers (93% residential, 7% commercial and industrial); 49,000 wastewater customers

LENDING A HELPING HAND

For nearly a decade, New Jersey American Water has been lending a hand to customers in financial need through our H2O Help to Others Program™. The program offers assistance to customers who qualify in two ways:

- **Grants**: up to $500 (once every three years)
- **Service Charge Discounts**: 100 percent discount on the monthly fixed service charge for water.

In addition, customers who receive Social Security benefits or Medicare coverage, who qualify for the service charge discount, are also eligible to receive a discount off the monthly DSIC charge.

For more information, visit www.newjerseyamwater.com, or contact our program administrator New Jersey SHARES, toll-free, at 1-877-652-9426 (1-877-NJAWH2O).

COMMUNITY PARTNER

Here are just a few ways we take an active part in the communities we serve:

- **Environmental Grant Program**: Provides grants of $1,000 to $10,000 for community-based projects that improve, restore and protect our source water and surrounding watersheds.
- **Speakers’ Bureau**: We provide presentations on water-related topics for all ages.
- **Volunteer Firefighting Support Grants**: Provides a limited number of grants of up to $1,000 each to assist volunteer emergency service organizations in our service areas.
