DOING BUSINESS WITH PENNSYLVANIA AMERICAN WATER

We hope you can join our New Supplier Summit to explore opportunities for providing products and services. You can also visit our website at pennsylvaniaamwater.com to learn more about the ways we keep life flowing! Pennsylvania American Water serves more than 400 communities across Pennsylvania.

SUPPLIER DIVERSITY

We welcome a variety of suppliers and strive to maintain a diverse list of companies who work with us. To do this, we've implemented a Supplier Diversity Program to better offer smaller organizations and those run by women, veterans and minorities the opportunity to supply us with essential products and services.

HOW CAN I BECOME A VENDOR?

To explore opportunities for providing products or services, please attend our summit and express interest. Or, visit us online at pennsylvaniaamwater.com and click on "Doing Business With Us" under "About Us" for business registration information. Once registered, your information will be forwarded to the appropriate Supply Chain strategic buyer. If we are able to use your products or services, a buyer will contact you to discuss the possibility of working together.*
