

BEWARE OF UTILITY SCAMS

Pretending to be a trusted utility worker is a trick some criminals use to gain access to your home.

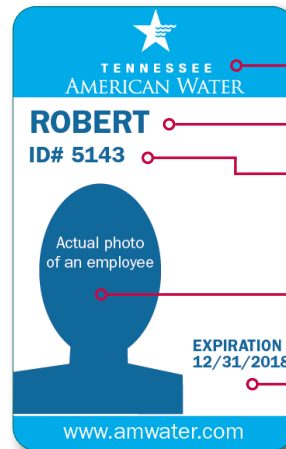

Before letting any worker into your home:

- **Always ask for a company-issued photo ID.**

**PEYTON DOESN'T OPEN
THE DOOR
FOR STRANGERS.**

BE PEYTON.

1 Logo

2 Name

3 Employee ID#

Unique to each employee.
Be sure it matches.

4 Photo

5 Expiration Date

Date should NOT be past due.

- **Look for the logo.**
All Tennessee American Water service personnel wear uniforms and drive company-branded vehicles with the logo.
- **Our employees do NOT enter homes to take water samples.**
Water samples are taken at an outside spigot, and with notification to the customer ahead of time.

If you suspect someone may be a utility imposter,

CALL 911.
