

KEY FACTS

THE SERVICES TENNESSEE AMERICAN WATER PROVIDES

- 💧 Our Customer Service is rated at a 92% satisfaction level.
- 💧 We are available 24 hours a day/365 days a year for all water emergencies.
- 💧 We treat and pump about 37 million gallons of drinking water a day to homes and businesses.
- 💧 Tennessee American Water customers receive water through our system of 1400 miles of pipes, 22 storage tanks and 30 pump stations.
- 💧 And all of this at less than a penny a gallon.

**Remove. Replace.
Repeat.**
So water is always there
when you need it.
