ADVICE LETTER NO. 1190-A

#### TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

California-American Water Company (California American Water) (U210W) submits for review this supplement to Advice Letter 1190, which includes the following attached tariff sheets applicable to its Monterey District.

C.P.U.C. Sheet No.	<u>Title of Sheet</u> Schedule No. MO-10	Canceling Sheet No.
8758-W	Monterey County District Tariff Area	8576-W
8759-W	Schedule No. MO-10 (Continued) Monterey County District Tariff Area NON-RESIDENTIAL CUSTOMERS	NEW

8761-W	Table of Contents Page 1	8757-W

#### Purpose:

California American Water files this supplemental to Advice Letter 1190 ("AL 1190-A"), dated March 19, 2018, to request a temporary tariff be put into effect that describes the nature and mechanics of how California American Water will refund qualifying customers based on the correction requested in Advice Letter 1190.

Advice Letter 1190 seeks to reduce the quantity charge in the construction and miscellaneous (construction) tariff sheet previously approved in Advice Letter 1172, which became effective August 25, 2017. The reduction addresses an inadvertent mistake in the implementation of the volumetric rate for metered miscellaneous and construction service customers in the Monterey District.

#### Background:

On January 27, 2017, California American Water filed Advice Letter 1142-B requesting approval of the Company's 2017 step rates for the Monterey District, which was effective February 2<sup>-</sup> 2017. This tariff was superseded by Advice Letter 1149, which implemented changes to Monterey's rate design. This tariff was subsequently updated by AL 1144-A on March 15, 2017 and by AL 1172 on August 25, 2017.

Subsequently, California American Water determined the construction quantity charge had been implemented in a manner that was inconsistent with historic practice by the company

in the application of quantity charges for metered construction use. As a result, the volumetric charges for construction use was inadvertently incorrect.

California American Water will issue refunds to customers impacted by this miscalculation upon acceptance of this filing. California American Water will issue one-time refunds to existing customers via a bill credit and a one-time refund to non-active accounts via a mailed check The overcollection period for which impacted customers will be refunded is February 2, 2017 through the effective date of AL 1190-A.

#### Request:

California American Water requests correction of the tariff sheet previously approved in Advice Letter 1172, which became effective August 25, 2017.

## **Tier Designation:**

These tariffs are submitted pursuant to General Order No.96-B and this advice letter is designated as a Tier 2 filing.

#### **Effective Date:**

Pursuant to D.15-04-007, California American Water requests an effective date of August 25, 2017.

#### RESPONSE OR PROTEST<sup>1</sup>

Anyone may submit a response or protest for this AL. When submitting a response or protest, please include the utility name and advice letter number in the subject line.

- 3. The analysis, calculations, or data in the AL contain material error or omissions;
- 4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
- 5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
- 6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require relitigating a prior order of the Commission.
- 7. A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.
